

“UTTAM” Hydraulic Press

“UTTAM” C - Frame Hydraulic Press

"UTTAM" make C - Frame Hydraulic Press.

Technical Specifications	
Model	: URM-CF-HP
Type	: Frame Type, made of prime plate tested material.
Size	: As per Customers requirement
Capacity	: 20 Tons to 150 Tons
Cylinders	: EN-8 Forging Tested Material
Type of Press	: Down - Stroke.
Electric Motor	: ABB / Crompton / Siemens /
Electric Control Panel	: Star Delta electric operating panel

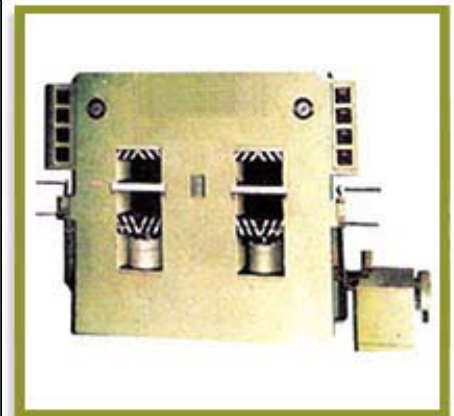

All presses are supplied With Hydraulic Power Pack Unit Consisting D.C. Valve, Non Return Valve, Check valve, Safety Valve, Pressure Gauge. With Oil Tank.

“UTTAM” Battery Hydraulic Press

"UTTAM" make Battery Hydraulic Press

Technical Specifications	
Model	: URM-BT-HP
Type	: Frame Type, made of prime plate tested material.
Size	: 300 mm x 300 mm UPTO 600 mm x 600 mm
No of Ram	: 2
Capacity	: 50 Tons to 100 Tons
No. of Day Light	: 1 to 2
Mode of Heating	: Steam / Thermic Fluid Heating System
Cylinders	: EN-8 Forging Tested Material
Type of Press	: Up-Stroke.
Electric Motor	: ABB / Crompton / Siemens /
Electric Control Panel	: Star Delta electric operating panel

All presses are supplied With Hydraulic Power Pack Unit Consisting D.C. Valve, Non Return Valve, Check valve, Safety Valve, Pressure Gauge. With Oil Tank.

“UTTAM” Plywood Hydraulic Press

"UTTAM" make Plywood Hydraulic Press

Technical Specifications	
Model	: URM-PW-HP
Type	: Frame Type, made of prime plate tested material.
Size	: As per Customers requirement
No of Ram	: 5 To 10 Nos.
Day Light Gap	: 100 mm.
Working Pressure	: 1 Tons,
No. of Daylights	: 5 TO 10
Capacity	: 15 Tons to 250 Tons
Cylinders	: EN-8 Forging Tested Material
Type of Press	: Up - Stroke.
Mode of Heating	: Steam / Thermic Fluid Heating System
Electric Control Panel	: Star Delta electric operating panel
Electric Motor	: ABB / Crompton / Siemens
Return Speed	: Automatic Quick Opening Press within 10 second opening Time

All presses are supplied With Hydraulic Power Pack Unit Consisting D.C. Valve, Non Return Valve, Check valve, Safety Valve, Pressure Gauge. With Oil Tank.

“UTTAM” Hydraulic Brake Press

"UTTAM" make Hydraulic press Brakes from 50 Tons To 350 Tons
